to Perform Charter Operations)	Docket No. 289

By Order No. 1448, served July 21, 1975, Application No. 871 for a Certificate of Public Convenience and Necessity to perform special operations and Application No. 872 for a Certificate of Public Convenience and Necessity to perform charter operations were consolidated. By Order No. 1444, served July 23, 1975, Executive Limousine Service, Inc. (Executive) was required to file and serve statements and exhibits and Executive was directed to file and serve any prepared testimony on or before August 21, 1975. The public hearing on the consolidated docket currently is scheduled to commence Tuesday, August 26, 1975.

On August 21, 1975, Executive filed and served some of the required statements and exhibits. In addition, Executive requested the Commission to postpone the public hearing until August 28, 1975, and to permit Executive to file its remaining statements and exhibits on August 22, 1975. The reason for the

requested delay in the hearing date is that counsel for Executive will be participating in a proceeding before the Interstate Commerce Commission on August 26 and 27. Moreover, Executive has represented to the Commission that neither Greyhound Airport Service, Inc., nor Metropolitan Washington Airport Service are opposed to the requested continuance of the hearing date. With respect to the request to be permitted to late file certain required statements and exhibits, Executive states that the delay has been occasioned by a bookkeeping error.

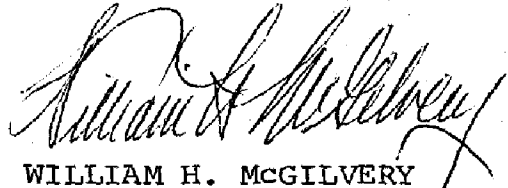

Pursuant to the provisions of Rule of Practice 7-06, the hearing date shall be postponed. The requested extension to August 22, 1975, to file required statements and exhibits is sufficiently in advance of the postponed hearing date so that parties to the proceeding will not be adversely affected by the late filing.

THEREFORE, IT IS ORDERED:

1. That the public hearing scheduled for Tuesday, August 26, 1975, by Order No. 1448, served July 31, 1975, be, and it is hereby, postponed until Thursday, August 28, 1975, at 10:00 A.M., in the Hearing Room of the Commission, Room 314, 1625 Eye Street, N. W., Washington, D. C. 20006.

2. That Executive Limousine Service, Inc.'s petition for extension of time until August 22, 1975, to file required statements and exhibits be, and it is hereby, granted.

FOR THE COMMISSION:

WILLIAM H. MCGILVERY
Acting Executive Director
